

MEDICAL MISSION OPPORTUNITY for Travel to St. Gabriel Parish—Beau Sejour, Haiti APRIL 9-16, 2010

A Mission of Mercy to Beau Sejour, Haiti

Holy Family Catholic Church in St. Petersburg would like to take a medical mission team to St. Gabriel Parish in Beau Sejour, Haiti April 9-16, 2010.

Beau Sejour is an agricultural community of approximately 22,000 people whose average annual US wage is \$60. Beau Sejour is located 6 hours from Port-au-Prince across 10 mountains. To get there, we must cross these 10 mountains by motorcycle, walking and mule. This travel is not for the “faint of heart” or those not in good physical health. The community is 6,500 feet above sea level. The community is suffering greatly from the 4 devastating hurricanes of 2008.

There is no “road” per se, just some gravel-like mountains in some places over which we walk. The motorcycles cross mountains of dirt and grass and the mules are used over the last 4 mountains because the terrain is so high, rocky and narrow.

There is no running water or electricity—except in the very small “rectory”—made of palmwood. There is one bathroom with a commode and shower—no running water—“bucket” flush and showering only.

The needs of this community are great and so if you are inclined to have a missionary heart I encourage you to call for more information or just sign up and let God do the rest.

Medical Mission

April 9-16, 2010

**Calling doctors, nurses, dentists, physician assistants
To assist our less fortunate brothers and sisters to have a better life**

Approximate Cost for Travel, including needed shots is \$800
(plane, required shots, motorcycle, lodging in Port-au-Prince for 2 nights, lodging stipend to St. Gabriel Parish). *No charge for the mule.*
