August 2010

Reminder: It is your responsibility to call a substitute when you cannot fulfill your serving assignment. Please be at church at least 15 minutes before the start time of your Mass.

Reminder #2: With the summer months, there are a lot of time off requests, even some for the entire summer. As such, many of your kids have been scheduled to a lot of Masses (never more than one on a weekend). I appreciate your flexibility but also understand if it is too much. If so, just send me an email and let me know.

Serving Reminder: Please don't forget to sing and participate in the Mass.
