**F.A.S.T.** at Holy Family Catholic Church is a member congregation with 33 other faith based congregations in Pinellas County representing over 40,000 people. We have transcended differences of race, denomination and economic class to address community problems which are important to us all.

We are not a service provider. We root out issues of justice and work for solutions to the problems so that systemic change happens.

**Team leaders** are parishioners who have agreed to share the vision of FAST with other parishioners and ask for a commitment of attending three community meetings per year.

**Meetings:**

*Annual Assembly* where the selection of issues to be addressed in the current year are voted upon.

Monday, October 22, 2007, 7:00 pm  
Holy Cross Catholic Church

*Rally* where reports of research on the issues selected are presented and decisions are made about what actions to take and prepare for the *Nehemiah Action Assembly*

**Monday, March 10, 2008 @ 7:00 pm**

Bethel Community Baptist Church, St. Petersburg

*Nehemiah Action Assembly* where we get commitments from public officials to address the community problem we have focused on for this year.
