

**“ Come join us on our Spiritual Growth Journey”**

**What are Faith Sharing Groups?**

*Groups of 8 to 14 adults who come together in parishioners' homes once per week for six weeks to read scripture, reflect on the readings – both as they are written and how that scripture is applied in their lives, and then resolve to do an action related to the readings.*

**Small Christian Communities help us help each other to connect everyday life and faith.**
